

Creating the IBM Cloud Account :

The image shows a two-part process of creating an IBM Cloud account. The top part is a screenshot of the login page at `cloud.ibm.com/login`. It features the IBM Cloud logo, a 'Log in to IBM Cloud' heading, a 'Forgot password?' link, and a login form with fields for email (pre-filled with `gishalin.rufina@gmail.com`) and password. A 'Log in' button is at the bottom. The bottom part is a screenshot of the IBM Cloud dashboard after successful login. The dashboard includes a search bar, a user profile dropdown for 'Gishalin Rufina S G's A...', and a 'Create resource' button. The main content area is titled 'For you' and contains several tiles: 'Build', 'Use Watson Studio', 'Get Started with Watson Studio', 'Build a web app with Watson Speech to Text', 'Use Speech to Text', and 'Use Text to Speech'. Each tile provides a brief description and a 'Popular' badge with a time estimate. Below these are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'.
